

# Are you our new intern?

Are you interested in:

Communication & new media  
Strategic design- & innovation processes  
Advanced interaction & visualisation  
Lighting design & media architecture  
Citizen & user participation  
Urban strategy & design

**KOLLISION** is looking for one or two new interns who...

- ... are **exceptionally** engaged
- ... knows how to **visualise** ideas
- ... are **curious** about interaction design
- ... wants to be part of a creative **team**
- ... doesn't need to be **told** what to do
- ... believes that **design** is much more than a coffee pot
- ... will laugh at the partners' **lame** jokes

**KOLLISION** is a Danish design office offering a wide range of services ranging from citizen and user participation and process facilitation to interactive communication, exhibition design, interactive installations, dynamic light design and communicative tools to provide users with new and engaging experiences. We work within the fields urban planning, architecture, project & organisation development, branding, communication, architectural lighting, media facades and specialized IT-development. For more information on our projects visit our website at [www.kollision.dk](http://www.kollision.dk) or visit our Vimeo-channel at <http://vimeo.com/kollision>

Contact Tobias Løssing for more information at +45 **2625 0522**  
or mail your application to [tobias@kollision.dk](mailto:tobias@kollision.dk)
